

THE MOUND '56

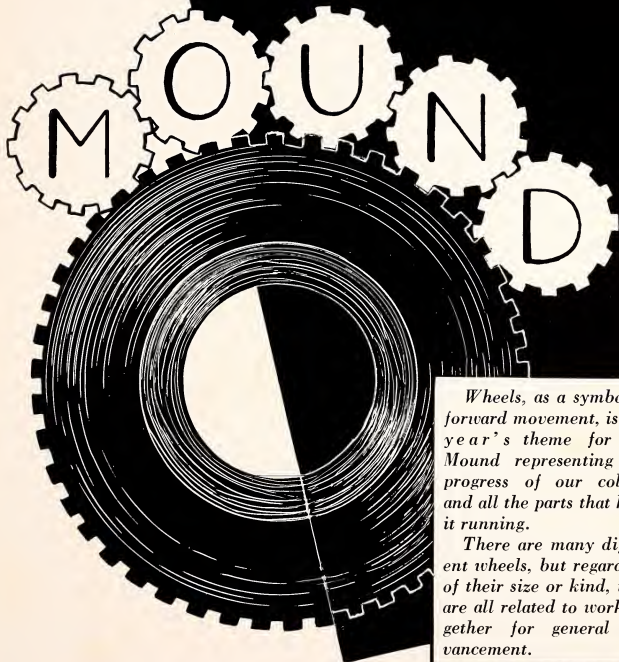

1956

THE

Wheels, as a symbol of forward movement, is this year's theme for the Mound representing the progress of our college and all the parts that keep it running.

There are many different wheels, but regardless of their size or kind, they are all related to work together for general advancement.

Fairmont State College

Blessed are those who go around in
circles, for they shall become wheels.

Faculty and Administration

President

JOHN W. PENCE

As the spokes of a wheel center around the axle, the departments of Fairmont State College revolve around its President, John Wesley Pence.

President Pence has served in this capacity since 1952. His association with the college dates back to 1926 when he served as instructor in Political Science and Economics. He held the position of Dean of Men from 1928 to 1946. He served as acting president during 1947-1948 while President Joseph Rosier was serving in the United States Senate. He became Dean of the College in 1947 and held that position until 1952 when he was appointed President.

Because of his untiring efforts we heartily acknowledge President Pence for the growth of the school.

Who's Who

These seniors were chosen to represent Fairmont State College in the national publication, *Who's Who in American Colleges and Universities*, for their abilities in cooperation and leadership throughout their college years. Juniors

This year the Junior class has been very active on the campus. They held a very successful Falconite in the Blue Room on February 20. The most important function sponsored by the class is the annual prom, which was held in April. Members are chosen from the class as candidates, and a panel selects out of that number one to reign as Queen. This year's prom was probably the finest to be held in the school's history.

Freshmen

This year's Freshman class has been one of the largest ever to enroll at Fairmont State College. They started off their activities with the annual Freshman Week, including the tea and the dance. Then for several weeks they attended Freshman Court with Jack Davis as their judge.

These Freshmen have been very active in joining the various campus organizations and are looking forward to their next year at college.

Richard Thralls and Jane Talbott were chosen Mr. and Miss Freshman at the annual Freshman Dance.

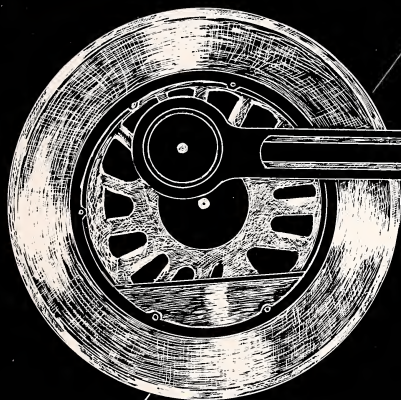

Freshmen Counselors

The first week of the fall semester is set up as an orientation period in which every effort is made to help Freshmen students become better acquainted with college life. The Freshman Counselors assist these new students in finding their way around the campus, in filling out class schedules, and in other matters of importance to beginning students.

The Columns

The Columns, the college newspaper published about every two weeks, is written and edited by students interested in journalism. Some are majoring in journalism and others work on the newspaper just as a college activity.

The Columns is exchanged with hundreds of other schools, other publications, and copies are sent to former students, faculty members, and alumni.

All staff members are eligible for membership in the Journalism Club.

Kappa Sigma Kappa

"The most progressive fraternity on the Hill"

The Kappa Sigma Kappa fraternity is very old as it had its start in Virginia in 1867. In 1945 the local Omicron Pi fraternity on the "Hill" became affiliated with and became the Kappa Sigma Kappa fraternity which is both national and international in nature.

As our slogan says, we are growing both in membership and in activities. The Christmas party for the children of the Children's Shelter is an annual affair that we try to carry out in order to help someone. The children enjoyed the party very much as did the members. The fraternity tries to stress help instead of the traditional hazing.

This year we have had an informal dance, falconites, smokers, parties, informal and formal initiations and the annual Colonial Ball and spring formal.

Fairmont State College Band

The Fairmont State College Band, under the direction of Mr. Richard A. Montague, is one that the school can be proud of. It is a maroon-uniformed band of approximately fifty pieces. Rehearsals are held three days a week.

The band opened the year by marching in the annual Forest Festival in October at Elkins; played for all home football games; and led the Dad's Day Parade, putting on a band show with the theme "Special Days" at halftime of the game.

During basketball season, a small pep band was formed to play at some of the games. The whole band participated in the Homecoming game, February 18.

Springtime brought the annual tour to several high schools in this part of West Virginia, the spring concert, a performance for the Principals Association in March, and other appearances.

Once each semester a party was held with educational and entertaining films shown, games, dancing, and refreshments.

The president of the band is Jane White and the majorettes are: Marlene Winemiller, Doris Watson, Letha Harbert, Barbara Watson, Nancy Belt, Sandra Cutlip, Sally Porter, and Patti Osborne.

FOURTH Row—Mrs. Donham, John Courtney, Charles Hough, Thomas Hewitt, Tom Rowand, Larry McMullen, Stanley Skarszenski, Gene Williams, Bill Bowman.

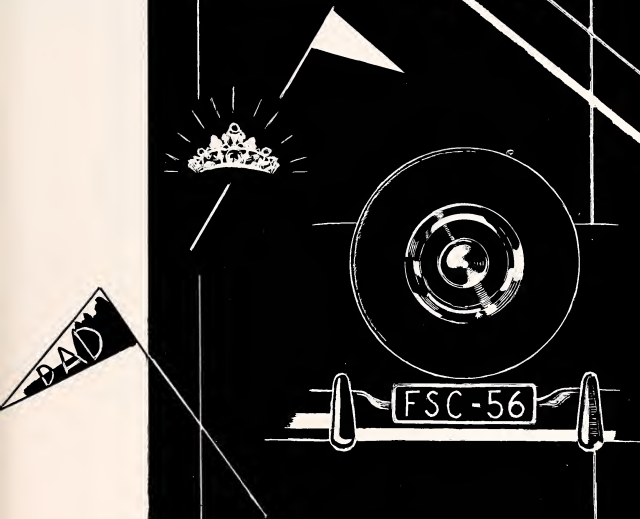

The Fairmont State College choir under the direction of Mr. John T. Evans and accompanied by Mrs. Norma Donham, can be heard practicing three days a week. The music employed by the choir is not of the elementary type, and consequently, there is much to be derived from it, not only for the participants but also for the listener.

The choir members have performed for many audiences. They presented a Christmas Cantata in our college auditorium for an as-

sembly. Their next appearance was at the Rotary Club followed by a concert tour of different high schools in this district. They also gave a spring concert and completed the year by singing for commencement.

The local radio station closes each day of broadcasting with the "Battle Hymn of the Republic" by the F. S. C. College Choir. By taking part in varied activities, the choir plays a tremendous part in making Fairmont State College a school of public note and interest.

Spares and Extras

There is more to college than classes and books, important as they are. The extras of college add to our lives as a spare tire adds to a car.

Wilford R. "Squibb" Wilson is the coach of the Falcon baseball team. Through his efforts, last year's team came through with a good season.

"Squibb" attended Fairmont State College as a student. He was appointed assistant to the Athletic Director in 1939, and in 1940 he advanced to head coach of all sports. Although his duties as Athletic Director keep him busy, he still does a fine job of coaching the baseball team.
